

TIM MUYS

GOLF COURSE SUPERINTENDENT

107 Middletown Road, Dundas, Ontario, Canada L9H 5E1

Phone: (905) 973-2733 | Website: timmuys.com | Email: timmuys@hotmail.com

PROFILE

Golf Course Superintendent with more than two decades of hands-on experience in turf management and course operations. Known for maintaining high standards, solving problems in real time, and delivering consistent playing conditions. Takes a practical, detail-focused approach to agronomy, combining proven methods with lower-input practices that support long-term soil health and performance.

KEY EXPERIENCE

- Led grow-in and establishment of two golf courses
- Over 20 years maintaining high-quality playing conditions
- Low-input and reduced chemical agronomy practices
- Team leadership and workforce coordination
- Industry leadership through OGSA and IPM Council roles

WORK HISTORY

Piper's Heath Golf Club (2006 – Present)

Golf Course Superintendent

Leading all aspects of course operations, including agronomic planning, team management, and long-term course performance. Manage a team of 20+ staff and coordinate seasonal workforce programs.

Copetown Woods Golf Club (2002 – 2006)

Golf Course Superintendent

Oversaw daily maintenance and course conditioning while developing team structure and operational systems.

Heron Point Golf Links (1998 – 2002)
